Speciality Camps

Invaders of Darkness June 25-29 Ages 12-15

Experience a "day" at Camp by the light of the moon as Coutts goes nocturnal! Beginning the first day of camp, campers gradually stay up later and later (and sleep in longer) until we head out for a 2am hike up a local peak. Campers will participate in a mix of in camp activities and leave camp to paddle a river, hike a peak and much more. A summer favorite – this camp will fill early. Cost \$340 reduced rate \$275 Mon 8:30am-Fri. 2pm

Counselor In Training June 27-29 Ages 13-15

This camp offers a good introduction into the life of a Coutts counselor while providing training in camper management skills, first aid and facilitating camp activities. Upon successful completion, campers are eligible to return for a week as a Volunteer Camp Counselor. Cost is \$200 Wednesday 8:30am-Friday 2pm

CT River Canoe July 9-13 Ages 11-14

The upper section of the CT River with its quick water, swimming holes, and amazing campsites, makes for a perfect canoe adventure. In addition to three nights paddling and camping on the river this camp blends a bit of high ropes, climbing & holy cow swinging and other camp activities. Cost \$300 reduced rate \$250 Mon. 8:30am – Fri. 2pm

Teen Camp July 16-20 Ages 12-15

Teens can be teens in this camp. All out as we tackle the high ropes course, river canoe or kayak, swim, rope swings into water, bike, and play until it is time to just chill out and relax at the beach. Daily we leave camp to seek new adventures and return to camp to relax, eat, and sleep in our wall tents in the woods. If you have a bike please bring it. Cost \$340 reduced \$275 Mon. 8:30am – Fri. 2pm

Water Warriors July 23-27 Ages 12-15 DAY ONLY

Lakes, ponds, rivers, streams, brooks, and springs – the Kingdom is literally overflowing with opportunities for aquatic adventures. Our band of hardy and soggy water warriors will canoe, kayak, swim, splash and wade our way around these watery gems. Just a smidge of science will be woven in as we seek to combine adventure with science. Cost \$200 Mon.-Thurs 8-4pm Friday 8-2pm

Makers Camp July 30-Aug.3 Ages 12-15 DAY ONLY

Woven baskets, hand carved spoons, fire burned bowls, canoe paddles, and knives. No 3-D printers, no coding, nothing complicated here. Makers campers will make things with their own hands, fire, and simple tools. All materials provided. Take home quality finished products and lifelong skills. Cost \$250 Mon.-Thurs 8-4pm Friday 8-2pm

The Long Paddle Aug 4-12 Ages 13-16

Our first two Long Paddle Camps taught us that paddling the CT River the length of Vermont is both an intense physical challenge and a whole lot of fun. With that in mind, we are once again looking for six adventurers ready for an epic adventure. Because of the length of this trip and distance to be paddled, we encourage families whose camper might be interested to contact us directly for additional information and to determine if the Long Paddle would be a good fit. Call 673-5638, Annie or Jason for more info. Cost \$500 Sat 8am – Sunday Time TBD
